Accessories - Mounting

What good is a light if you can't put it where you want it? We thought so too so we got busy and whacked together the following accessories that will clip, clamp, stick or set a Littlite wherever you need one.

Model	Description
CWB	Cast Weighted Base <ul style="list-style-type: none"> - Turn your Littlite lampset into a desk light - Improved design features four rubber feet for maximum stability - For use with L-1, L-2, L-3 and L-4 series - Will *not* work with L-7 series
HTC	High Tension Clamp <ul style="list-style-type: none"> - Attach a Littlite to this beauty with screws provided or with a Snap Mount and clip away
RAKIT	L-Series Mounting Bracket <ul style="list-style-type: none"> - Piggyback a Littlite L-series lampset to your rack without hogging any rack space - Can also be used as a universal bracket to mount a Littlite on just about any surface
